Corey is a java developer with more than 5 years of experience. He was working as a contractor in his previous projects. He is interested in working remotely and full time jobs

"Insert quote here"

GOALS

Become a tech lead
Create an app

FRUSTRATIONS

Too many employees hired from offshore to reduce cost by companies
Job Security as a contractor

SKILLS

Skills

Java Certification I
Angular and Springboot
Java Certification II

Jimmy Choo

BIO

-  Age 30
-  Location Chaflotte, NC
-  Career Graphic Designer

Jimmy is a graphic designer with more than 5 years of experience. He is studying a summer course to learn some digital skills like UX Design, SEO, some basic frontend code and agile methodologies. He would like to join a graphic online design startup. He is interested in working remotely so he can travel all over the world while working.

GOALS & NEEDS

- To become a digital UX Designer
- To learn about digital communication and SEO
- To discover the best design startups all over the globe
- To get to know its founders, team and products
